Mission Restoration Fund Drive On

If the volume of money raised by and from the people of Carmel for Mission Restoration reaches in volume the enthusiasm shown at last Thursday afternoon's meeting of the local committee this city will more than have done its part in the noble work of preserving and beautifying our historic landmark.

Those in attendance were: Mrs. J. W. Hand, President of the Arts and Crafts Club; Mrs. E. K. de Saba, Chairman of the city Board of Trustees; Rev. R. M. Mestres; Miss Claribel Haydock, manager of the Mission Tea House; L. S. Slevin, Chairman of the Carmel Restoration Committee; T. V. Cator; Mrs. Ritchie, Publicity Director, and W. L. Overstreet, Treasurer.

Committees to handle the work were proposed, as follows: Publicity, Features, List, Solicitation, and Final Week.

Assistance in the way of entertainments and social affairs is expected from various sources, among which are the Arts and Crafts Clubs, Hotel La Playa, Pine Inn, Manzanita Club, Carmel Hall Association, Mission Tea House, a sacred concert, Carmel Bath House, Blue Bird Tea Room and Carmel Community Club.

Funds are now being collected. Checks from local contributors should be made out to W. L. Overstreet.

HOW EUROPE CAN ESCAPE COLLAPSE

We Must Aid By Extending Cred-

Says.

GRAVE MENACE TO THE U. S. A.

European Ruin Would Involve
America—Starvation and
Disease Rampant.

DES MOINES, Ia.—Speaking before
the general conference of the Metho-
dist Episcopal Church, Henry P. Davi-
son, Chairman of the Board of Gover-
nors of the League of Red Cross So-
cieties, said:

As chairman of the convention of
Red Cross Societies, composed of rep-
resentatives of twenty-seven nations
that met recently in Geneva, I am cus-
todian of authoritative reports record-
ing appalling conditions among mil-
lions of people living in Eastern Eu-
rope.

One of the most terrible tragedies in
the history of the human race is being
enacted within the broad belt of terri-
tory lying between the Baltic and the
Black and Adriatic Seas.

This area includes the new Baltic
states—Poland, Czecho-Slovakia, the
Ukraine, Austria, Hungary, Roumania,
Montenegro, Albania and Serbia.

The reports which come to us make
it clear that in these war-ravaged
lands civilization has broken down.
Disease, bereavement and suffering
are present in practically every house-
hold, while food and clothing are in-
sufficient to make life tolerable.

Men, women and children are dying
by thousands and over vast once-civ-
ilized areas there are to be found
neither medicinal appliances nor medi-
cal skill sufficient to cope with the
devastating plagues.

Wholesale starvation is threatened
in Poland this summer unless she can
procure food supplies in large quanti-
ties. There are now approximately
250,000 cases of typhus in Poland and
in the area occupied by Polish troops.
Worst Typhus Epidemic in History.

This is already one of the worst
typhus epidemics in the world's his-
tory. In Galicia whole towns are cri-
pled and business suspended. In some
districts there is but one doctor to
each 150,000 people.

In the Ukraine, we were told, typhus
and influenza have affected most of
the population.

A report from Vienna, dated Febru-
ary 12, said: "There are rations for
three weeks. Death stalks through
the streets of Vienna and takes un-
hindered toll."

Budapest, according to our informa-
tion, is one vast city of misery and
suffering. The number of deaths is
double that of births of the 150,000
children in the schools, 100,000 are de-
pendent on public charity. There are
150,000 workers idle.

Typhus and smallpox have invaded
the four countries composing Czecho-
Slovakia and there is lack of medi-
cines, soap and physicians.

In Serbia typhus has broken out
again and there are but 200 physicians
to minister to the needs of that entire

Inquiry and criticism as to
certain acts of Mrs. A. D. Sig-
nor on the property recently
acquired by her, has prompted
the lady to send in the follow-
ing communication:

Carmel, Cal., June 30.

Mr. W. L. Overstreet,
Editor, Carmel Pine Cone.
My dear sir:

Will you kindly insert my side of
the controversy for the benefit of
those who do not understand clearly
the gate question at Godwin Point.

The gates were erected to pre-
vent the banks of loam being carted
out for commercial purposes. Also
to keep out camping parties.

Autos must be parked outside
the gates. Pedestrians and lunch-
ing parties are welcome and a path-
way has been made for their use;
also for contractors desiring sand.

The gates are wired until the ce-
ment is set. Bathers are requested
not to dress or undress in the
brush. Agnes D. Signor

Enjoyable Riding Party

Last Monday a party of horse-
back riders enjoyed a trip to Palo
Colorado Canyon. With an early
start, several hours were spent at
the canyon, and the riders returned
in time for dinner.

Those in the party were Mrs.
Freeman, Mrs. Munger, Margaret
Munger, Miss Gear, Miss Church,
and Mr. Rogers.

Every week a party conducted
by Philip Wilson Jr. rides either
into the mountains or down the
Coast.

Reading Circle Wednesday

Next Monday, July 5, being a
legal holiday, the regular meeting
of the Reading Circle will be held
on Wednesday, July.

There has been a good attend-
ance and much interest shown in
the reading of Bleak House, which
is nearly finished, and will prob-
ably be followed by a number of
miscellaneous meetings. Plans
are already under way for a Dick-
ens entertainment on Thanksgiving
night.

Newspaperman For Congress

ARTHUR M. CLARK

Unusual interest attaches to the can-
didacy of Arthur M. Clark of Carpin-
teria for the Republican nomination
for Congressman from the Eighth Dis-
trict, on account of Mr. Clark's war
record. He was the first volunteer in
Southern California in the "Grizzlies,"
designated as the 144th Field Artillery,
and saw eighteen months' service, six
of which were in France.

Mr. Clark, upon his return from
France, organized the Howland Shaw
Russell Post of The American Legion,
and was Adjutant of the Post until the
announcement of his candidacy for the
Republican nomination for Congress.
He is a leader in Legion affairs in his
district.

Other matters in Mr. Clark's career
of interest are: Graduated from the
Kansas State Normal School; was a
student at James Milliken University
at Decatur, Ill.; taught school 4 years;
began newspaper work under William
Allen White's instructions on the Em-
poria (Kans.) Gazette and has been
an active newspaperman for the past
sixteen years.

Mr. Clark has traveled extensively
abroad and has made a first-hand study
of conditions in China, Japan, the
Philippines, France and England.

If elected to Congress, he will work
to put this nation's affairs on a busi-
ness basis. He has always registered
and voted as a Republican.
